Your Partner for all your projects all over France

With more than 70 years experience in educational trips for young people, CEI has become a world reference in providing quality international programs for foreign students wishing to discover France, its culture and language.

Over succeeding years, we have built strong and long-term relationships with international partners and schools. A sample of these partnerships include: The Experiment in International Living, Student Diplomacy Corps, Atout France and FIAP Jean Monnet.

Every year, we are proud to offer students from all over the world the experience of a lifetime.

Long Stay Program

Academic year Program High school

CEI is proud to offer the experience of a lifetime! Studying in a French secondary school (Collège or Lycée) while sharing the everyday life of a volunteer host family.

Program overview

This unique program gives young students the opportunity to discover France, its way of life and its culture while improving their language skills. Students are placed in caring host families and are supervised by CEI local coordinator and CEI office during the whole stay.

They are hosted in volunteer host families on a full board basis in which they share day-to-day life including leisure and outings. In return, students must comply with family's rules.

They attend French local school, selected by host family and CEI local coordinator and are considered as any other French students.

This program is a great opportunity for students to explore the country from inside and learn more about French culture, history and traditions as they are placed all over France. Living the everyday life as French students, they taste and learn! Students progress will be evident after a few month stay, a fantastic springboard for life and future career!

Living in a French volunteer host family

There's no better way to immerse yourself in another culture than to live with a host family. In addition to the room and board,

host families offer support and guidance to students during the whole stay while sharing also with them local customs. Our host families are as diverse as our high school students. All families are carefully screened and prepared to the experience. The matching host family/student is based on the student's profile, personality and on common interests.

Students will feel at home while away and develop strong and long-term relationships.

Immersion in a French high school

School placements are confirmed in public or private schools.

Students will spend 5 days per week at school, usually from 8:00 am until 5:00 pm or 6:00 pm, in classes with French classmates.

According to their age, students are placed in either Troisième (14-15 years old) or Seconde (15-16 years old). They typically take courses in French literature, foreign languages, history, math, economics and science. Students placed in Classe de Première (16-17 years old) will be enrolled in one of the following academic tracks: Literature, Economics, or Sciences. All classes are taught in French.

Participants

Students must be aged between 14 and 18 years old at the time of their stay in France. They will go through an interview process to ensure their adequate language skills and motivation.

Destinations

Students can be placed anywhere in France.

Meet and greet service

- Transfer on arrival: included in the program price.
- Transfer on departure: 185 € (optional - can be arranged upon request).

Work in France Program

CEI is proud to offer a ready-to-work service to candidates: get your job in France before your arrival!

Job Placement

If you are European

CEI will organize interviews between candidates and employers upon arrival in France. As they do not need any official authorization to work in France, they may start working straight away and as long as they wish.

If you need a visa

CEI guarantees the placement before arrival. We provide "Work Authorization" and documents for the French embassy. Positions may be all over France.

If you do not need a visa

CEI organizes appointments between students and employers upon arrival, so they may be able to start working as quickly as possible. We provide a letter for the ministry of work to get the "Work Authorization".

Working Holiday Visa

A great opportunity to work and travel in France from 4 to 12 months. All nationals between 18 and 30 years old from the following countries are welcome: Argentina, Australia, Brazil, Canada, New-Zealand, Japan, Korea and Russia.

Regarding procedures, they remain the same as for the "Job placement" program.
