Location:

- Centrally located in Paris our residence benefits from an exceptional setting and environment and is ideally set to discover the capital's major landmarks. The park offers its residents a safe, quiet and peaceful environment.
- You will be accommodated in multiple rooms, showers and toilets on each floor. The French leaders sleep in the same building. Full board is provided.

French Courses:

- Classes start the day after the students' arrival and end the day before their departure.
- Classes are compulsory: 15 morning classes per week.
- Emphasis is made on conversation. French mother tongue teachers specialised in teaching French as a foreign language will make use of communicative and dynamic teaching methods.
- At the end of their stay all students receive a certificate of attendance.
- Don't forget to bring with you an exercise book, a dictionary and writing material.
